

# Contra Costa County Alcohol and Other Drug Services

## ASAM Case Presentation Format

Presenter:

Prepare to briefly present client identifying information and statement of what the client identifies as most important for them in seeking SUD services.

Give a brief explanation for the risk rating for each ASAM criteria dimension (based on the “Three H’s – History, Here and now, & How Worried now.) If this is a re-assessment, note any changes in risk ratings on the ASAM criteria dimensions, and treatment plan progress or barriers.

Supervisor:

Are the risk ratings sustained by the information presented? If not, ask for more information, discuss discrepancies, and come to consensus on risk rating in each dimension. Level of care placement or transition recommendations are based on the risk ratings in each dimension.
