

# Retail Food Facility Operator Basics

*Thinking of opening a food facility in Contra Costa County and would like an overview on Environmental Health and details for the services that we offer? Or, are you an existing food facility in the County and would like a clearer understanding of what we do?*

Contra Costa Environmental Health is offering a **FREE 2-hour training** for all who are interested. The orientation covers the role of Environmental Health, food safety and sanitation, the plan review process, inspections, common consumer complaints and how to avoid them, the placarding program, how to get a Green placard, among other topics. Whether you are a new business in the County or not, this training will give you insight into the work that we do. Our very own Registered Environmental Health Specialists will be conducting the training and will be able to answer any questions that you have.

If you are interested, please send your name, contact information (phone number and email), and specific questions, to [cocoeh@cchealth.org](mailto:cocoeh@cchealth.org). You will receive an invite via email when the next class is scheduled. Trainings will be virtual and/or in-person. We look forward to meeting you at one of our trainings.
