

EMERGENCY HOUSING VOUCHER PROGRAM FLYER

WHAT

Emergency Housing Vouchers (EHVs) are rental assistance vouchers without supportive services. EHVs can be used to help pay rent, like Shelter Plus Care and Section 8.

THINGS TO CONSIDER:

- **No Supportive Services:** Please work with your case manager to understand what services you will be giving up by participating in EHV.
- **Permanent Decision:** Once you have signed a lease with EHV, you cannot automatically return to your current program.

BENEFITS:

- **Select Your Own Unit:** You can select your own unit in most of Contra Costa County.
- **More Housing Choices:** EHVs can be used anywhere in the United States. The voucher stays with you.
