

SPIRIT

Behavioral Health Service Provider Individualized Recovery Intensive Training

Please note: Due to the current community health concerns and social distancing guidelines, the SPIRIT classes may be delivered in an online or hybrid format beginning in January 2022 with Contra Costa College, San Pablo CA. via Zoom Video Conferencing or Contra Costa College Confer Zoom.

SPIRIT is a 9 - unit college course taught in collaboration with Contra Costa College. The course teaches students how to develop core skills to empower themselves by attaining and maintaining recovery and resiliency through self-awareness and peer/family support, while learning to assist others in doing the same. The completion of this class leads to a Certificate.

This program is intended for individuals who fit at least one of the following criteria:

- **A person who has self-identified as having lived experience of recovery from a mental health condition, substance use disorder, or both.**
- **A transition-age youth or young adult 18 - 26 who has self-identified as having lived experience of recovery from a mental health condition, substance use disorder, or both.**
- **A person with lived experience as a self-identified family member of an adult experiencing a mental health condition, substance use disorder, or both.**
- **A person who is parenting or has parented a child or adult experiencing a mental health condition, substance use disorder, or both. This person may be a birth parent, adoptive parent, or family member standing in for an absent parent.**

Goals

1. To become more empowered, explore potential and help others learn resiliency and empowerment skills.
2. To gain an understanding of the importance of peer and family support as an integral part of the recovery and resiliency journey, as well as to the overall behavioral health system of care.
3. To gain a working understanding of Contra Costa Behavioral Health's system of care which includes, Mental Health Services, Housing and Homeless Services, Alcohol and Other Drug Services, and Health Services broadly, and recovery/resiliency-oriented techniques and principles.
4. To identify, develop and sustain your personal support system, develop and use a personal Wellness Recovery Action Plan and to help others to incorporate these skills into their personal wellness process.
5. To become more aware of community resources which aid peers and their families, including young adults and children in living successfully within the larger community.
6. To explore career options that will help you develop the skills enabling you to find meaningful activity and to learn skills and participate in internship training in the behavioral health field.

The Behavioral Health **S**ervice **P**rovider **I**ndividualized **R**ecovery **I**ntensive **T**raining (SPIRIT) includes two components; the comprehensive classroom training and support program, followed by the individualized Work-Study placement. This program is a collaboration between Contra Costa Behavioral Health Services (CCBHS), Office for Consumer Empowerment (OCE), and Contra Costa College (CCC).

Training Components

- I. **Intensive online Training (SPIRIT I and II):** The classroom training takes place during the Spring 2022 college semester (starting in January 2022) in partnership with Contra Costa College. It consists of two separate three-unit college classes (six units total), SPIRIT I and SPIRIT II. Students take SPIRIT I for the first half of the semester, and then SPIRIT II during the second half of the semester. Students may not participate in SPIRIT II without successful completion of SPIRIT I.
- II. **Work-Study/Summer Internship (SPIRIT III):** The work study portion of SPIRIT takes place during the summer 2022 college semester and includes a six-week, 60-hour internship at a human service agency with once a week classroom instruction. Students must successfully complete both SPIRIT I and II to participate in SPIRIT III. Students receive three units of college credits for successfully completing SPIRIT III.
- III. **Allowance:** A limited number of students may be eligible for an allowance to assist with transportation and other expenses needed to complete the training. Allowance selection is based on where behavioral health services are received, application content, and an in-person interview.

Dear SPIRIT Applicant,

Please note: Due to the current community health concerns and social distancing guidelines, the SPIRIT classes may be delivered in an online or hybrid format beginning in January 2022 with Contra Costa College, San Pablo CA. via Zoom Video Conferencing or Contra Costa College Confer Zoom.

SPIRIT is a behavioral health peer and family-driven focused college course. SPIRIT is facilitated by peers and family members for peers and family members. Because SPIRIT is a collaboration with Contra Costa College, some of your personal and identifying information may be shared and exchanged with the college. Additionally, the College may require some administrative information, such as attendance, grades, conduct, or other college-related activities. Being an applicant or participant in SPIRIT may identify you as a peer of behavioral health services or a family member of a person receiving services.
