What is a Grievance?

A grievance is an expression of unhappiness about anything regarding your specialty mental health or DMC substance use disorder services that are not one of the problems covered by the appeal and State Hearing processes.

The Grievance Process

You can file a grievance anytime with the Contra Costa Mental Health Plan (MHP) or Drug Medi-Cal Organized Delivery System (DMC-ODS) if you are unhappy with the specialty mental health or substance use disorder services you are receiving from these plans or have another concern regarding them.

To get help with a grievance, you may contact any staff at your program, the Access Line at (888) 678-7277, Behavioral Health Services' Office of Quality Improvement at (925) 957-5160 or the Grievance Advocate at (925) 293-4942. The Contra Costa MHP or DMC-ODS will provide self-addressed envelopes at all the providers' sites for you to mail in your grievance. If you do not have a self-addressed envelope, you may mail your grievance directly to the address on this form. Grievances can be filed orally or in writing. Oral grievances do not have to be followed up in writing.

The State Hearing Process

The Contra Costa MHP and DMC-ODS must make a decision about your grievance within 90 calendar days from the date you filed your grievance. The timeframes for making a decision may be extended by up to 14 calendar days if you request an extension, or if the Behavioral Health Services believes that there is a need for additional information and that the delay is for your benefit. An example of when a delay might be for your benefit is when the Contra Costa MHP or DMC-ODS believes it might be able to resolve your grievance if they have more time to get information from you or other people involved. You can file for a State Hearing if your grievance wasn't resolved in time.

A State Hearing is an independent review conducted by the California Department of Social Services to ensure you receive the specialty mental health or substance use disorder services to which you are entitled under the Medi-Cal program.

You can request a State Hearing directly from the California Department of Social Services by writing to:

*California Department of Social Services
State Hearings Division
P.O. Box 944243, Mail Station 9-17-37
Sacramento, CA 94244-2430*

You can also call 1-800-743-8525 (TDD 1-800-952-8349) or a Grievance Advocate at (925) 293-4942.
